Also, the maintenance of the Cemetery is undertaken by volunteers - could people please remove dead flowers, ensure plastic flowers and pots are secure on headstones and do not use glass vases as they get broken and can damage the mower and the person strimming. *Thank you, Andrew*

CAFOD 'Creation Mass'

Climate change affects our homes, our health, our heritage and our beautiful landscapes. It ruins the work we do to fight poverty and to live better lives. We are all part of God's creation and we are called to care for, protect and restore our common home, the earth. **Sunday 29th September will be a CAFOD Creation Mass**, giving special thanks for the gift of creation and pray for our common home. **Please join us** to help raise awareness of why we, as Catholics need to come together to fight for real climate action.
