## OFFERTORY ENVELOPES

The new issue of Offertory Envelopes, which come into use on Palm Sunday ( 10th April ) are now available for collection from the sacristy.

If you are unable to collect your envelopes for whatever reason, we will arrange to have them delivered to you.

Traditionally, we had a run of 90 sets of envelopes, with a few gaps here and there which would be filled by new parishioners. In recent years, however, we have lost a good number of our envelope users. There are several reasons for this - many of our long-standing parishioners have sadly died, some people have ceased paying income tax as the Personal Allowance has increased over the years, others have switched to donating by standing order or online banking and some have moved on. As a consequence, this year we have reduced the run of envelopes from 90 to 60 sets, so if your envelope number was previously between 61 and 90 you will now have a new number in the 1 to 60 range.

To enable people who have moved onto standing orders / online giving to Gift Aid their special collections, we now have available some 'mini sets' of envelopes which just contain the purple special collection envelopes. If you would like one of these 'mini sets' please let us know via the parish website, or have a word with Deacon Michael after Mass. **Thank you.**

## ST. TURIBIUS DE MOGROVEJO, Bishop

Wednesday March 23rd

Born in 1538 at Majorca, Spain, St. Turibius became a Professor of Law at the University of Salamanca and was appointed president of the court of the Inquisition at Granada. In 1581, while still a layman he was appointed to the See of Lima, Peru - a most difficult charge both religiously and geographically.

For the next 25 years, this saintly man wore himself out in the service of his flock. He traversed his entire diocese on foot, willingly subjecting himself to the steaming climate, wild animals, tropical maladies, and other dangers in order to reform the clergy and instruct the people in the Faith. He founded the first seminary on the American continent, and baptized and confirmed close to a million people.

St. Turibius was ever solicitous of the feelings of the poor and unstinting in his charities toward them. In the course of his ministrations he also befriended and confirmed St. Rose of Lima. Then, in 1606, at the age of 68, he received viaticum and passed on to his heavenly reward.
